

Emergency Procedure: Animals

AgSafe Safe Work Procedure

In the event of a mass escape of livestock from the facility

1. Advise all available staff
2. Contact the RCMP call 9-1-1
3. Call out available riders and persons to assist with recovery of the animals
4. Ensure that possible animal vehicle conflict is minimized on nearby travelled routes without placing persons at risk
5. Prepare site for return of the animals open appropriate gates etc. to return recovered animals to and through
6. Remain calm

Please use the following **Safe Work Procedures** as a guideline to building your own safe work procedures.
