

# Planter/ Seeder

## AgSafe Safe Work Procedure

1. Never leave a planter in the raised position
2. Never transport a planter or seeder at high speed
3. When transporting utilize flashing lights and **Slow Moving Vehicle** sign. Ensure turning radius and space
4. Do not allow riders on the planter unless there is factory installed seating
5. Always lower seeder or planter to ground when filling seed or fertilizer hoppers
6. Maintain implement

Please use the following **Safe Work Procedures** as a guideline to building your own safe work procedures.
